We are a conservative political publisher bringing breaking news, commentary and analysis to an audience of millions of Americans. Our unique collection of digital properties includes Townhall, HotAir, Twitchy, PJ Media, RedState and Bearing Arms—each with its own renowned style and dedicated readership. Our content engages civic-minded citizens around the world, reaching more than 55 million sessions per month. When not writing for our sites, our top editors can be seen as regular contributors on major cable news networks.

Townhall Media is an affiliate of Salem Media Group, named a “conservative multi-media powerhouse” by The Wall Street Journal. Salem Media Group encompasses a family of Christian and news talk radio broadcasters, as well as internet, magazine and book publishers across the country.
Compared to the average internet user, our audience is

94% more likely to subscribe to a political publication
74% more likely to donate to a political party

In today’s political landscape, Townhall Media readers refuse to take a backseat and remain engaged throughout cycles.

Politics and the Townhall Media Audience
The Townhall Media Digital Properties

For 25 years, Townhall has been one of the nation’s leading conservative outlets, delivering the latest from inside the Beltway to an engaged national audience. As a trusted and respected platform, Townhall is home to breaking news and opinion from some of the country’s leading experts in politics, policy and current events.

Hot Air is one of the most popular digital destinations for both mainstream conservatives and Beltway influential. Readers rely on HotAir to deliver unrivaled political analysis and insight from a dedicated editorial team always keeping an ear to the ground for the next big story.

Contributors across the country challenge the status quo and inform readers based on their shared mission and conservative values. The RedState team aspires to educate, motivate and activate passionate individuals who want to make a meaningful impact in their communities and hold their elected officials accountable.

The Twitchy team mines Twitter to bring you “who said what” in U.S. politics, sports, entertainment and media 24/7. If it’s news, they’re on it. If it should be news, they’re ahead of it. Staying connected is easy with Twitchy — the news wire of the 21st century.

Bearing Arms is a dedicated Second Amendment site, sharing stories about firearms training, guns and gear and responsible self-defense. As highly respected, influential and active voices in the industry, the Bearing Arms team makes waves in the way readers learn about - and defend - their gun rights.

Insightful news, commentary and analysis on politics, public policy, culture and breaking stories, provided by an all-star lineup of columnists and reporters.
Advertising with Townhall Media

The Townhall Media advertising team can help you reach millions of politically active, educated and affluent readers each month across our network of influential websites. Our newsletters and site-specific dedicated email lists are powerful tools for advertisers and direct marketers looking to drive actionable results from the Townhall Media audience. With full and partial-list sends available - in addition to a variety of display and native advertising options - our sales and advertising operations teams can help clients tailor an effective campaign with the perfect reach.

Native Advertising

Native content allows advertisers to promote their brand or message to the Townhall Media audience in a natural, non-invasive manner. It mirrors the look and feel of our editorial content with an added sponsorship disclaimer and can be promoted across all properties.

Bill Gates Poured Billions into Africa, But an Orphan-turned Millionaire Found an Answer to Global Poverty

The Townhall Media content team can collaborate with clients to help them choose the best type of campaign and present their message within our editorial voice. This approach ensures maximum engagement with our unique audience.

Native content creative opportunities can be customized to include videos, A/B testing, sponsored columns, forms and rich, interactive media.
